

OPERATION KID COMFORT

Serving the Children of Those Who Serve America

Operation Kid Comfort creates custom-made quilts and pillows for children of deployed military personnel who experience grief from missing their mom or dad.

Children ages 5 and under receive a quilt, children ages 6-12 years receive a pillow. These quilts and pillows are FREE but we do ask for a \$6 donation so that the items may be shipped directly to your home. Quilts are made with 9 personal photograph of your deployed loved one; pillows are made with 1 photograph.

*Quilts and pillows are also made for children of our fallen and will receive top priority.

Our teams of dedicated volunteers pour their love into each quilt and pillow crafted for our littlest of warriors. To learn more about and to apply for Operation Kid Comfort come by our Tarawa Terrace office BLDG TT2469 or call (910) 450-0497.
